

G.E.M. Gather Program Family Letter:
Building Stronger Connection, Stronger Purpose, Stronger Self

Dear [insert school name] Family,

We are beyond excited that your child/scholar will participate in G.E.M.'s Gather Program for the remainder of the school year!

Great Encouragement Movement (G.E.M.) was designed to inspire hope and courage in our teen girls as we assist in helping them become confident in their identity, abilities, and purpose. Our hope as a nonprofit organization is that each teen girl is impacted by our program and begins to recognize their value and be better equipped to unlock their greatest potential while moving forward toward their purpose.

G.E.M.'s Gather Program focuses on three phases: Hidden Phase, Pressure Phase, and Unveiled Phase.

- **Hidden Phase** is an opportunity for our teen girls to discover who they are, recognize the qualities and strengths that are within, and embrace growth and elevation throughout life.
- **Pressure Phase** provides our teen girls with strategies and insight on remaining resilient and authentic to themselves despite oncoming opposition.
- **Unveiled Phase** provides continued encouragement as our teen girls embrace their worth and value that was always within, insight on moving forward with purpose and intentionality, and guidance on honoring our unique and precious design.

As your child/scholar consistently attends their weekly G.E.M. Gather Group meetings it is with great expectations that they would obtain knowledge, skills, and understanding of our 5 core values, which are:

- **Discovering their Beauty** by learning their greatest qualities, building self-confidence, understanding their values, and knowing their worth.
- **Learning to Overcome** by discovering their inner strength, learning resiliency, and valuing perseverance.
- **Thrive in Community** by encouraging others, communicating clearly, avoiding isolation, and seeing the value and worth in others.
- **Engage in Vision** by empowering their choices and decisions, envisioning success, setting SMART goals, and motivating themselves.
- **Live with Purpose** by enhancing desire for well-being, staying true to unique design, and igniting hope and action for their tomorrow

It is with great hope that your daughter will gain the most out of their time with G.E.M. Gather, and together I know we can help them build stronger connections with others, stronger knowledge of their purpose, and stronger self-confidence to gain a powerful future.

Sincerely,

Geneva Perry
CEO & Executive Director of Great Encouragement Movement
